RE: Request for Industrial Attachment

Dear Sir/Madam,

I hope this letter finds you well. My name is **Ngomi Wesley Kamotho**, and I am currently pursuing a **Diploma in Computer Science** at **Zetech University**. As part of my program, I am required to complete a three-month **industrial attachment** to gain practical skills and industry experience.

I am keen to undertake my attachment in an esteemed organization that provides opportunities for hands-on learning in areas such as **networking, software development, system administration, customer care, help desk operations, and maintenance**.

I have attached my **CV** along with an official **attachment request letter from Zetech University**, endorsing my application. I would greatly appreciate the opportunity to discuss how my enthusiasm, academic background, and willingness to learn can contribute to your team.

Thank you for your time and consideration. I look forward to your positive response.

Best regards,

Ngomi Wesley Kamotho
